

FACE-TO-FACE VENDOR/BUSINESS FORUMS
Director, Department of Procurement Management, Miami-Dade County

**SURVEY OF VENDOR/BUSINESS PRIORITIES FOR MIAMI-DADE
COUNTY PURCHASING PROCESS**

The Department of Procurement Management (DPM) wants to know what is most important or valuable to you in the County purchasing process. As vendors/businesses interested in supplying goods and services to Miami-Dade County, your views here can help shape our priorities as we work continuously to improve the purchasing process.

Please take a moment and write a number to the left of each of the items listed below, **in order of importance/value to you**. There are eleven items, so your numbers will be **1** through **11** (and twelve (**12**) if you decide to include a write-in at the bottom).

- _____ simplicity of the purchasing process
- _____ quality (usefulness) of the purchasing department (DPM/County) website
- _____ speed of payments to vendors/businesses
- _____ speed of the purchasing process
- _____ access to purchasing department (DPM) personnel
- _____ integrity and transparency of the purchasing process
- _____ ability to transact procurement business “online” (at the DPM/County website)
- _____ inclusion (minority business participation) in the purchasing process
- _____ competition in the purchasing process
- _____ access to (use of) the County’s Vendor Information Center (“VIC”)
- _____ DPM/County presentations of free “how to” workshops for vendors/businesses
- _____ other/write-in here: _____
